Q1 - Editing and Hello world

1.1 Changing the author field and file name.

(a) Change the `author:` fields to your information on the Rmd document.

(b) Rename this file to "A0.Rmd", where your name and student iD are changed to your case.

1.2. Hello World!

Here's an R code chunk that prints the text 'Hello world!'.

```r
print("Hello world!")
```

```
## [1] "Hello world!"
```

(a) Modify the code chunk below to print your name

```r
print("Sunil Khambaita")
```

```
## [1] "Sunil Khambaita"
```
